**Professional work experience**

Paul specialises in Litigation and Dispute Resolution with experience in litigating across a wide range of disputes including corporate, business and government sectors both nationally and internationally.

Prior to joining Rostron Carlyle Paul worked for a leading national firm specialising in commercial litigation and insolvency. He also spent two years practicing in London specialising in civil and commercial litigation across various government sectors.

Paul's litigation experience includes:

- contractual disputes;
- corporate recovery and investigations;
- corporate disputes;
- building and construction disputes; and
- property and leasing disputes.

**Publications**

To be advised.

**Personal statement**

I aim to approach dispute resolution with a clear understanding of the client's objectives and the need to consider the commercial perspective in achieving the best result for the client.
